2x3 • 3x4 • 4x5

3" Round • 4" Round

Every piece you want visible, available in every color

Pieces you want hidden, available in **BlackMAX**<sup>™</sup>

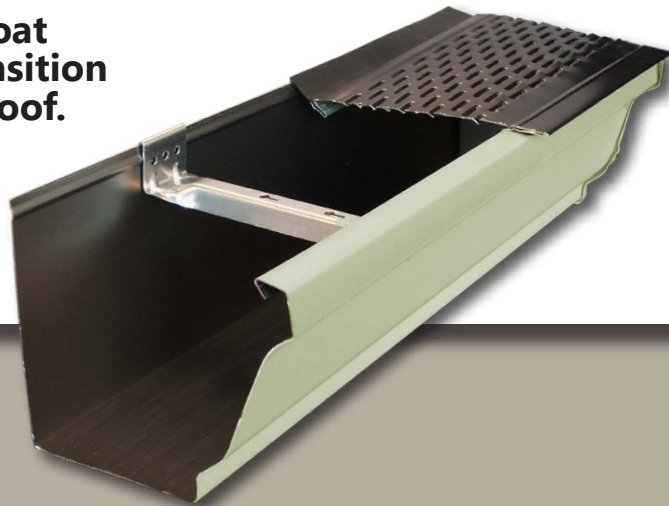

Disappearing Accessories

## What is Shadow BAK<sup>™</sup> Wash Coat?

Shadow BAK<sup>™</sup> wash coat is a translucent black coating on the back of all Senox gutter coil that is specially formulated by Senox's Research and Development Department to provide the non-reflective and disappearing properties of black while softening the contrast by creating an anodized bronze appearance. Its formula also creates a stronger bonding surface for sealant.

**Shadow BAK<sup>™</sup> wash coat**  
subconsciously erases transition  
from the gutter to the roof.
